Dear Sirs,

We have completed our assurance engagement to report on the compilation of pro forma financial information of China Fire Safety Enterprise Group Limited (the “Company”) and its subsidiaries (hereinafter collectively referred to as the “Group”) by the directors of the Company for illustrative purposes only. The pro forma financial information consists of the pro forma consolidated statement of financial position as at 31 December 2014 (the “Statement”) as set out on pages III-2 to III-3 of the Appendix III to the circular of the Company dated 28 April 2015 (the “Circular”) issued by the Company. The applicable criteria on the basis of which the directors have compiled the Statement are described on page III-1.

The Statement has been compiled by the directors to illustrate the impact of the proposed acquisition of 40% equity interest in Albert Ziegler GmbH on the Group’s financial position as at 31 December 2014 as if the transaction had taken place at 31 December 2014. As part of this process, information about the Group’s financial position has been extracted by the directors from the Group’s consolidated statement of financial position as included in the annual report for the year ended 31 December 2014.

Directors’ Responsibility for the Pro Forma Financial Information

The directors are responsible for compiling the Statement in accordance with paragraph 29 of Chapter 4 of the Rules Governing the Listing of Securities on The Stock exchange of Hong Kong Limited (the “Listing Rules”) and with reference to Accounting Guideline (“AG”) 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”).

Reporting Accountant’s Responsibilities

Our responsibility is to express an opinion, as required by paragraph 29(7) of Chapter 4 of the Listing Rules, on the Statement and to report our opinion to you. We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the Statement beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3420 “Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus” issued by the HKICPA. This standard requires that the reporting accountant comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the directors have compiled the Statement in accordance with paragraph 29 of Chapter 4 of the Listing Rules and with reference to AG 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the Statement, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the Statement.

The purpose of the Statement included in the Circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 31 December 2014 would have been as presented.

A reasonable assurance engagement to report on whether the Statement has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the Statement provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The Statement reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountant’s judgment, having regard to the reporting accountant’s understanding of the nature of the Group, the event or transaction in respect of which the Statement has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the Statement.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion:

- (a) the Statement has been properly compiled on the basis stated;
- (b) such basis is consistent with the accounting policies of the Group; and
- (c) the adjustments are appropriate for the purposes of the Statement as disclosed pursuant to paragraph 29(1) of Chapter 4 of the Listing Rules.

Yours faithfully,

RSM Nelson Wheeler
